

Labour Standards Assurance System (LSAS) Policy

Optimum Medical Solutions Ltd, as part of its legal and moral obligations as a responsible supplier of healthcare products, is committed to upholding ethical labour standards and local laws, in its own operations and those of its suppliers and contractors. These ethical standards reflect those outlined in the ETI Base Code and include:

1. Employment is freely chosen
2. Freedom of association and right to collective bargaining
3. Working conditions are safe and hygienic
4. Elimination of Child Labour
5. Remuneration
6. Non Excessive working hours
7. Freedom from discrimination
8. Provision of regular employment
9. No harsh or inhumane treatment

To get in contact with Optimum Medical on any labour standard issues please contact us at enquiries@optimummedical.co.uk or phone +44 (0) 845 643 5479

For further information on Optimum Medical's Company Policies, these are available upon request.
